12:00-1:30 Presentation

1:30-4:00 Board meeting

[Courtyard by Marriott-Roseville](#)

2095 Centre Point Dr.

Roseville, MN 55113

Guest Speakers: Panel of Expert Twin Cities Chapter of ARMA RIM Members

Our October meeting will utilize one of our greatest ARMA resources - **our members!** We've created a Records and Information Management (RIM) Panel with TC ARMA chapter members from a wide variety of backgrounds. They will share their experiences, lessons-learned, resources, knowledge, tales of caution, and words of advice.

Make plans to join us for lunch and this terrific opportunity to learn about the different positions that people hold in RIM, how people are just getting started in the field, and what they've learned after 30 years in RIM. There will be ample time allotted to ask questions and delve deeper into those areas you are curious about.

We welcome and encourage you to share this event with others.
