

Twin Cities ARMA

The Area's Leading Association for RIM Professionals

HAVE YOU REGISTERED FOR THE 2022 TWIN CITIES ARMA SPRING CONFERENCE YET?

Did we tell you there is cake...breakfast, lunch, and other snacks as well as a full lineup of spectacular speakers?! And did we mention cake?

The Spring Conference is coming to you **LIVE AND IN PERSON** from the Arboretum in Chaska on April 12th. We have a full day of terrific speakers, delicious food, and special treats as we celebrate our chapter's 60th Anniversary.

DO NOT MISS THIS EVENT! We have **Mark Lanterman** presenting the 'dark net' digital underground world. The esteemed **Ken Withers** of The Sedona Conference will provide an eDiscovery and information management 2021-2022 court cases update. **Andrew Ysasi** will be discussing the differences between RIM and Information Governance and wrapping up the day will be our very own chapter members **Roseanne Stoltz** and **Bill Roach** who will co-present on the top of Ethics and RIM.

Registration closes April 1st so do not wait....register now! Click [here](#) to register.

Don't miss out on future events offered by other ARMA Chapters and business partners. Create an RSS feed to the TCARMA website. More details to follow.
