**Better Ways of Working**

In an era where remote work has become the norm for many, whether by choice or necessity, it's easy to overlook some key elements that contribute to a healthy and productive work-from-home experience. Join us in this engaging session as we explore and apply nine essential factors aimed at promoting better ways of working in remote work environments. From seasoned remote workers to those just starting to embrace the home office lifestyle, we'll share insights, practical tips, and valuable reminders to ensure you're fostering a work environment that supports your health and productivity.

**Speaker:**

**Marie Force** is a dedicated member of General Mills for over 20 years, graduated from the College of St. Benedict with a degree in Communications and later earned her MBA from the University of St. Thomas. Beginning her career in consumer marketing, she collaborated on projects with iconic brands like Disney and WWE. Ten years ago, she shifted into the Talent Development space, focusing on Team Effectiveness, Executive Coaching, and Leader Development. Certified as an Executive Coach, Marie is equally proud of her professional contributions and her cherished role as a mother of two boys and a dog named Winnie.
